

Brookpark Middle School PTSA Membership Drive

Welcome to the 2015-16 school year!

Brookpark Middle School's annual membership enrollment is now in progress. Membership is open to all **parents, staff, students and friends**. PTSA is an association that centers its whole interest on the well-being and education of **all students!**

For more information about PTSA and their great programs go to www.pta.org!

We invite you to join Brookpark's PTSA. All PTSA meetings are held on the third Tuesday of each month at 6:00 p.m. in the Downstairs Computer Lab, here at Brookpark.

Everyone is invited and encouraged to attend our meetings!

Our PTSA counts on individuals like you to join! Dues are **only \$5.00** per year. Each year, the 7th and 8th grade compete for great prizes for the most members. If you have more than one student in a household, each will receive credit for their classroom.

Please join our PTSA and ensure a successful year!

Thank you for your support of this worthy organization!
